Come join our expert gardening team for **FREE SEMINARS & CLINICS**

Friday, April 15 - Sunday April 17
Cottage Show

Exhibition Centre, Falconbridge Road, Sudbury

- Come wander through the BACK YARD ESCAPE!
- Gather ideas for your landscape projects
- See the new annuals for combination planters
- Learn garden hints from the Sudbury Master Gardeners
- Join the Sudbury Horticultural Society

Easter Flower Sales

Easter Lilies, Mums and assorted other flowering plants will be on sale at the Cottage Show and at our Garden Centre location from April 15 through April 23. A friendly reminder the Garden Centre is closed Sundays.

Saturday, April 23
11 am

Proven Winners Bloom seminar

Connie and Janice will be presenting the new Proven Winner annual combinations for Outstanding Planters.

Each seminar attendee
Will go home with the recipe booklets.

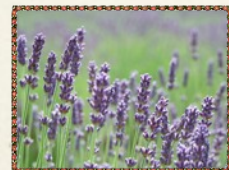

Saturday, April 30
9 am - 5 pm

Teacher Appreciation

Teacher Appreciation Week is May 2-6.

Bring your students in and they can select a free herb for themselves when they purchase a gift for their teacher.

Hint: Lavender is a great stress reliever!

Saturday, April 30
11 am

Fruit Trees and Bushes Seminar

Eric is passionate about edible gardening and will enjoy telling you about our great selection of Fruit Trees and Berry Bushes.

Topics covered in the seminar include

- Selecting hardy and healthy plants
- Proper site location for planting
- Tips for planting
- Pest and Disease prevention and care
- Tips for Fruit production
- Rules for When and how to prune.

All of our staff who work in the nursery area are educated and informed on the particulars for all the fruit we carry and should be able to answer your questions at any time during the season.

Black Velvet

Phantom

Plan your mixed baskets & planters now. We have a GREAT selection of annuals including Black Velvet & Phantom Petunias.
