

AZILDA GREENHOUSES

300 Carriere Street, Box 1372, Azilda Ontario P0M 1B0

(705) 983 - 5252

1 Million Acts of Green

Soap Sprays

- ▶ Mix 3 tablespoons of Safers Insecticidal Soap to a gallon of water and apply to foliage with a hand sprayer
- ▶ **Note** – we recommend **insecticidal soap** because many products commonly known as soap contain perfumes and whiteners that can damage plants
- ▶ **Note** stronger concentrations are no more effective and will cause plant damage
- ▶ Spray plants in early morning or early evening
Avoid hot sunny periods
- ▶ **Plants damaged by Soap Sprays**
Chinese cabbage, cucumbers, melons, & other large leaved plants
